# Break from the Norm

Share your most intimate secrets with God today and tell Him what's on your heart

Pray and ask God to reveal himself to you or to a friend or loved one.

A woman with long dark hair, wearing a dark winter coat with a thick, light-colored fur-lined hood and a matching scarf, is smiling and holding a lit sparkler. She is wearing white knit gloves. The background is a warm, golden glow with a large, glowing archway structure, possibly made of lights or a decorative frame, creating a festive and joyful atmosphere.

” When they saw the star, they rejoiced exceedingly with great joy.”

~Matthew 2:10
